OCTOBER 2017

NO.10

Give to the World Hunger Fund

World Hunger funds are used solely to distribute food in Jesus' name through approved food ministries and by Southern Baptist state, North American and international missionaries. One of the beautiful things about the Southern Baptist World Hunger funds is that 100% of the funds are used to alleviate hunger. Because the

Cooperative Program and other mission offerings cover the costs of putting missionaries in the field, no administrative costs are deducted from World Hunger Fund gifts.

The need for hunger relief is huge. One out of every six people in the world is undernourished; one out of every six people in the U.S. doesn't get enough food to be healthy. Poverty among children is on the rise, and 18.4 percent of Kentucky's children live in poverty.

The eternal impact of the World Hunger Fund is tremendous. In Kentucky alone, 192 people professed faith in Jesus Christ last year as a direct result of hunger relief ministries.
